Convene

Commissioner Garrett Beydler called the meeting of the Norton Co Board of Commissioners to order at 1:00 PM on January 6, 2025 at the Commission Room. Attendance: Richard Thompson, Present; Garrett Beydler, Present; Marvin Matchett, Present.

Road F

The commission discussed the complaint filed on Road F. The complaint called stating that there were several large rocks that needed to be removed after the gravel was reclaimed. The commission will pass the complaint to the Road Department.

KCAMP

A letter was delivered to the commission with changes made in the 2025 property coverage. The major change to property coverage will be structural roofing.

Road Department

Terry Laughlin, Norton Road department spoke with the commission on options for gravel. Terry stated that the county has few options and most are expensive when considering hauling and labor. Terry also stated that he is working to find possible stock pile locations to make transport easier.

Terry spoke with the commission about mechanic work and contacts with Akrs John Deere dealership from Oberlin. Terry stated they have been very good to work with.

Chairman Beydler spoke with Terry about a billing received on the back hoe. Terry reported that the bill was for repairs that was not covered under the warranty.

Adjournment

There being no further business before the Board the meeting was adjourned until 1/13/2025. The commission minutes are not considered to be official until signed and approved by the commission and will remain a working document until approved.
